

Serial No. 10/791,543

REMARKS

After amendment is made to the specification in relation to the erroneous reference numeral, the reason for objection to the specification is now believed to be overcome.

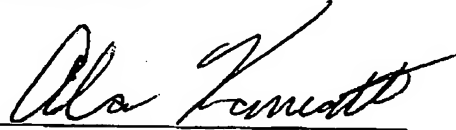

In addition, the applicant incorporates the allowable subject matters in claim 2 into claim 1 to make the currently amended claim 2 allowable over the cited references. Furthermore, the allowable subject matter in claim 9 is also added into the combination of claim 1 and claim 8 to make the currently amended claim 9 allowable over the cited references. As a result of the amendment, early granting to the referenced application is solicited.

Respectfully submitted,

Chi-Chung Wang

Dated: October 13, 2005.
